## **Letters to the Editor**

### **Frederick Post Newspaper:**

[http://www.fredericknewspost.com/sections/customer\\_service/letters\\_to\\_the\\_editor.htm](http://www.fredericknewspost.com/sections/customer_service/letters_to_the_editor.htm)

We welcome your letters. Our goal is to print letters on a wide variety of subjects and opinions. Letters should be exclusive to The Frederick News-Post and should be written and addressed to the editor. We do not publish poetry, religious verse or form letters. We reserve the right to edit letters for length and content. We request that letter writers limit submissions to one per month, and that letters be limited to **200 words** (two to three short paragraphs) in length. Our readers prefer letters on timely, local topics.

**Letters must include the writer's name, town of residence, and daytime phone number used to verify letters, which is necessary before they can be considered for publication.**

### **The Gazette:**

<http://www.gazette.net/gazetteinfo/opinion.shtml>

The Gazette edits letters for brevity, grammar and clarity. Please limit letters to one idea and 200 words. While we do not have room to publish all letters in print, we attempt to publish all letters on Gazette.Net, provided they are not libelous and do not constitute a personal attack.

To be eligible for publication in the newspaper, letters must be received by noon Friday to run in the following week's newspaper.

Because of the volume received, we cannot return or acknowledge letters not used.

### **The Citizen:**

[citizen@mip.net](mailto:citizen@mip.net)

All letters must be signed. Please include your address and telephone number, for verification only.
